**Brief Description of Organization:**

Grow North is a catalyst for economic prosperity for the Northwoods.

**Most common resources we offer that a government contractor might find beneficial:**

- Connections to local economic development professionals
- Support through talent cultivation work in the region
- Guidance on economic development related resources available in the region (innovation and entrepreneurship, workforce housing needs in the area, data and research that will support businesses and economic development in the field, etc)
- Playing a leading role in COVID-19 recovery, including active participation on the Blue Ribbon Commission on Rural Prosperity and the Task Force on Broad Band
