Brief Description of Organization:

The Western Dairyland Business Centers provides assistance to individuals interested in starting, expanding or improving small businesses primarily in Barron, Buffalo, Chippewa, Dunn, Eau Claire, Jackson, Pepin, Pierce, Polk, St. Croix and Trempealeau counties. The Business Centers' services are designed to provide entrepreneurs with access to individualized as well as group business training, referrals, financing, technology, and ongoing business case management services. Assistance is provided at various locations throughout the service area as well as on-site. Owners of start-up, existing, and expanding businesses receive technical assistance in all aspects of business operation including business plan development, feasibility studies, marketing assistance, business management, and operations. For more information on Western Dairyland's Business Development services, email us at info@successfulbusiness.org or call: 715-836-7511

Most common resources we offer that a government contractor might find beneficial:

- Help starting a business through one on one counseling
- Classes for people looking to start or expand their business
